

KABITA TARAI

Aspiring Software Developer

Cuttack, Odisha, IN | kabitatarai2004@gmail.com | [LinkedIn](#) | [GitHub](#)

CAREER OBJECTIVE

Motivated MCA student with a solid foundation in Java, Android development, Firebase, and web technologies. Completed a Core Java internship at CTTC, gaining practical experience in object-oriented programming and database management. Eager to apply my skills in developing secure, efficient, and user-friendly applications while continuously learning and growing in the field of software development. Actively seeking opportunities in Android and full-stack development.
